

# Yeraltındaki Gizli Tarih

Mustafa  
Dedeler

Merhaba!

Yaşadığımız şehir, gizemler ve maceralarla dolu. Ekibimizle beraber serüvenlerimize katılmaya ne dersin?

Kendimi bildim bileli İstanbul'un Fatih semtinde oturuyoruz. Maceraya atılmaya, problemleri çözmeye bayılırım. Kitap okumak, araştırma yapmak en büyük hobim. Arif, Ceyda ve Mert isminde candan arkadaşlarım var. Aynı okula gidiyoruz. Okulun haricinde yardıma ihtiyacı olanlar var mı diye etrafımızı inceliyoruz. Aslında olaylar genelde bizi buluyor. İnsanın yaşadığı çevreyi güzelleştirmesi, koruyup kollaması hiç de kolay değil.

İşte, yepyeni bir maceraya daha atılıyorz...

Benim hobim,  
gezmek ve  
keşfetmek. Bitmeyen  
merakımla fotoğraf  
çekmeyi, araştırmayı  
ve keşfetmeyi  
seviyorum.

Ekibimizin en  
sportmen ve güçlüsü  
benim. Esprilerim ve  
farklı bakış açımıla  
maceralara eğlence  
katıyorum.

Teknoloji ve bilim  
benim işim. Yenilikleri,  
icatları takip ederim,  
arkadaşlarım bana  
mucit olduğumu  
söylerler.

the 1990s, the number of people who have been employed in the public sector has increased in all countries.

There are a number of reasons for the increase in public sector employment. One reason is that the public sector has become a more important part of the economy. In many countries, the public sector now provides a significant portion of the total output. This has led to an increase in the number of people employed in the public sector.

Another reason for the increase in public sector employment is that the public sector has become a more attractive place to work. This is due to a number of factors, including the fact that the public sector often provides better benefits and job security than the private sector.

Finally, the increase in public sector employment is also due to the fact that the public sector has become a more important part of the economy. In many countries, the public sector now provides a significant portion of the total output. This has led to an increase in the number of people employed in the public sector.

# Kim Kaçırıldı?

Zamanı durdurmanın mümkün olduğunu biliyor musun? Bunun yolu, gelecekteki insanlara iyilikte bulunmak, hayır yapmak. Bu nasıl olur, diye sorduğunu duyar gibiyim. Mesela insanların ihtiyacı olan bir yerde, su kuyusu açtırarak üzerine çeşme yaptırdın diyelim. Böylece, o çeşme ile zamanı durdurmuş olursun. Çünkü seneler ilerler, insanlar o çeşmeden su içmeye devam eder ve o çeşme hâlâ ilk yapıldığı zamandadır.
